NORTHRIDGE TOYOTA CUSTOM FJ CRUISERS

The folks over at Northridge Toyota (www.NorthridgeToyotaParts.com, 888-381-2591) have set up a cool program wherein buyers of the hot 2007 FJ Cruiser can have Northridge Toyota trick out their FJC with items such as Sway-A-Way RaceRunner shocks and springs, beefy Total Chaos upper control arms, new rims and tires, and more. Front shocks are 2.5" RaceRunner coilovers with a 2" rear matching shock. Tires are 285-70-17 Cooper Discoverers (up from 265-70-17) and the rims are American Eagle 081 (17x8). With the rear spring they used a urethane spacer. Approx retail price for the package is \$5000, which includes all parts and labor, plus wheels and tires. Photos: Northridge Toyota.

HELP CURE PARKINSON'S DISEASE

Hanley Noel and Brent Hatherill have created a one-of-a-kind expedition that is driving towards a cure for Parkinson's disease. Teaming up with the Michael J. Fox Foundation for Parkinson's Research, Brent and Hanley are attempting to ride the Continental Divide while traveling off-road as much as possible from Canada to Mexico in 21 days. Their goal is to raise \$10,000 for Parkinson's research and have the Cruiser come back in one piece. They'll travel in Hanley's 1994 FZJ80 Land Cruiser equipped with factory front and rear locking differentials, OME suspension lift, 35" Goodyear MT/R's, custom bumpers, sliders, and roof rack. Expedition Cure has created an interactive website hosting all kinds of cool features including continually updated GPS positioning, journals, photos, videos, projected routes, and text messaging updates. Jump on Expedition Cure's website and by registering a donation to Parkinson's, take a shot at a chance to win serious promotional prizes including a five-day vacation package for four at Ontario's only 5-star lodge on the Upper French River. Join the adventure at www.expeditioncure.com.

OUR SMALLEST FAN!

Knights of old would feed their sons their first meal from the tip of a sword so they'd grow up to be strong warriors. Steve Girt has better judgment than that—his son Jacob is a year old and, thanks to his dad,

is already a devoted Toyota and 4WD Toyota Owner magazine fan. Enjoy Jacob's young years while you can, Steve—before you know it, he'll be asking for the keys to your prized 4WD Toyota!
